**End Application:**

Sh-2g

**Hole Quantity:**

3

**Product Name:**

Beam, assembly-spring yoke

**Special Features:**

Jnha pn k874410; assembly consists of beam pn k874425-011 (1), bushing pnnas75-7-006 (2), bushing pn k874323-011 (1); beam stock size 1.50 x 15.0 x 66.0, material al aly 2124, material specification qq-a-250/29 cond t851

**Material:**

Aluminum alloy 2124

**Material Specification:**

Qq-a-250/29 cond t851 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
