Overall Length:

0.620 inches

Overall Width:

0.580 inches

Material Thickness:

0.520 inches

Product Name:

Radius block

Aircraft Location:

Former assembly, fs502.1, aux tank

Aircraft Mission Design Series:

F-15

Special Features:

Dim. Are stock matl

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
