Material Thickness:

0.063 inches

Side For Which Designed:

Left side

Aircraft Location:

Former, engine inlet assembly

Aircraft Mission Design Series:

Av-8

Special Features:

Component of cascade assembly, 75a321209

Material:

Aluminum alloy 7075

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
