Overall Length:

1.870 inches

Overall Width:

0.820 inches

Product Name:

Closure block

Aircraft Location:

Upper vertical stabilizer

Aircraft Mission Design Series:

F-15e

Special Features:

U/o f-15e cum201&up

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t851 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
