Aircraft Location:

External aircraft surfaces

Aircraft Mission Design Series:

B-2

Special Features:

Manufacturer suggested name/material: silver plated nylon ripstop fabric; dwg defines requirements for a thin electrically conductive, ripstop fabric with a weakly attached, removeable, transparent protective liner

Material:

Plastic polyamide

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
