Overall Length:

1.500 inches

Overall Width:

1.250 inches

Material Thickness:

0.565 inches

Aircraft Location:

Door-bailout cabinet

Aircraft Station Number:

Fs 1252 to fs 1287

Aircraft Mission Design Series:

E-8 joint stars

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, t351 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
