Overall Length:

13.600 inches

Overall Width:

0.050 inches

End Application:

Used on ch47 chinook mark ii and iii

Product Name:

Guard

Special Features:

Heat treated to t6 condition

Height:

10.000 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
