Overall Length:

7.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Lower pylon

Aircraft Mission Design Series:

C-17

Special Features:

Dimensionas are stock size

Material:

Aluminum alloy 2219

Material Specification:

Dms 1719 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
