**Overall Length:**

5.000 inches

**Overall Width:**

5.000 inches

**Material Thickness:**

0.063 inches

**Aircraft Location:**

Lower pylon

**Aircraft Mission Design Series:**

C-17

**Special Features:**

Dimensions are stock size

**Material:**

Stainless steel

**Material Specification:**

Mil-s-25043 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400

**Mil-std (military Standard):**

Mil-s-25043 spec.
