Overall Length:

26.560 inches

Overall Width:

2.940 inches

Material Thickness:

0.090 inches

Aircraft Location:

Fuselage

Aircraft Station Number:

Fs481.500 to fs509.500

Aircraft Mission Design Series:

F-15e

Special Features:

Useable on f-15e cum 3-8

Material:

Aluminum alloy

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
