Aircraft Location:

Lower fairing

Aircraft Mission Design Series:

C-17

Special Features:

Material is plate, cres, type 15-5 ph solution heat treated; assembly from (1) guide and (2) bushings

Material:

Stainless steel

Material Specification:

Ams 5862 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
