Overall Length:

5.640 inches

Overall Width:

5.140 inches

Material Thickness:

0.050 inches

Product Name:

Intercostal-le fillet outbd pylon

Special Features:

Nha pn 75a732425

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 cond-o federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800
