Overall Length:

6.750 inches

Aircraft Location:

Fuel tank

Aircraft Mission Design Series:

F-15

Special Features:

Manufacturer suggested name cushion-cut shape, polyethylene foam

Material:

Plastic polyethylene

Material Specification:

Ppp-c-1752, type iv, class 2 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
