Overall Length:

2.720 inches

End Application:

Av8b, and grmk5 aircraft

Product Name:

Dp support 6al-4v

Aircraft Location:

Rudder lower hinge half

Aircraft Mission Design Series:

Av8b and grmk5

Special Features:

Modification kit support for the rudder moveable lower hinge half support assembly; modification used on av8b cum 22 and up, grmk5 cum 1 and up, grmk5 ftr1

Material:

Titanium alloy

Material Specification:

Mil-t-9046, type 3, comp c anl. Military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
