End Application:

Sh-2g helicopter

Product Name:

Fitting assembly-radius arm upper

Special Features:

Stock size 1.000 x 3.500 x 5.500

Material:

Aluminum alloy 2124

Material Specification:

Qq-a-250/29 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
