End Application:

Sh-2g seasprite helicopter

Product Name:

Tray assembly, aps-143 r/t

Aircraft Mission Design Series:

Sh-2g

Special Features:

Stock size in inches 0.250 x 0.900 x 1.250; nha pn kd84033

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
