Overall Length:

3.860 inches

Overall Width:

3.760 inches

Material Thickness:

2.530 inches

Product Name:

Foam block

Aircraft Location:

Fuel tank number 1

Aircraft Mission Design Series:

F-15c, d, dj, j

Special Features:

Nha 68a321451

Material:

Plastic polyurethane

Material Specification:

Hh-i-530 type i grade 2 class 1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
