Hole Quantity:

2

Product Name:

Latch cargo door latch

Special Features:

H.T. To 150, 000 t.S. Min rockwellc34-38 per kps 219 class ii

Material:

Steel comp 4130

Material Specification:

Mil-t-6736 military specification 1st material response and mil-s-18729 military specification 2nd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11800

Mil-std (military Standard):

Mil-t-6736 spec.
