End Application:

Sh-2g seasprite helicopter

Product Name:

Door assembly

Special Features:

Door assembly consists of k683049-7 hinge assembly and k683049-17 skin stock material 0.032 x 3.930 x 7.260

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 cond t3 federal specification single material response

Fsc Application Data:

K884207

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531m0
