End Application:
Sh-2g seasprite helicopter
Product Name:
Door assembly
Special Features:
Door assembly consists of k683049-7 hinge assembly and k683049-17 skin stock material 0.032 x 3.930 x 7.260
Material:
Aluminum alloy 2024
Material Specification:
Qq-a-362 cond t3 federal specification single material response
Fsc Application Data:
K884207
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A531m0
