Overall Length:

1.700 inches

Overall Width:

1.000 inches

Material Thickness:

0.063 inches

Product Name:

Filler

Aircraft Location:

Hatch assembly

Aircraft Mission Design Series:

B-52

Special Features:

Matl: al clat sh (2024-t3) , fin f-2-115; dim are stock

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
