End Application:

F-22 raptor

Product Name:

Box assembly

Aircraft Location:

Vertical stabilizer

Aircraft Mission Design Series:

F-22a

Special Features:

Fracture critical / wind swept surface critical item; c/o: frame assembly, housing assembly, hinge assemblys, stiffeners, inbd/outbd skins, plates, supports, brackets, & misc hardware

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
