Overall Length:

42.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Floor-fuel cell

Aircraft Station Number:

Fs468.500

Aircraft Mission Design Series:

A-10

Special Features:

Alcd sheet; manf. Suggested name: closure; part of -3 assembly; dimensions are stocksize

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
