Overall Length:

40.000 inches

Overall Width:

18.000 inches

Thickness:

0.032 inches

Aircraft Location:

Bulkhead assembly

Aircraft Station Number:

Fs524.300

Aircraft Mission Design Series:

A-10

Special Features:

Dimensions are stocksize; included in -21, -23, -25 assemblies; -297 same as -43 except as shown

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
