End Application:

F/a-22 raptor

Product Name:

Landing gear tubing bracket

Special Features:

Material is 0.063 inches thick

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
