**Overall Length:**

3.210 inches

**End Application:**

F/a-22 raptor

**Product Name:**

Support bracket

**Aircraft Location:**

Fuel line support

**Aircraft Mission Design Series:**

F/a-22 raptor

**Special Features:**

Material finish 607-646; final condition t8511

**Material:**

Aluminum alloy

**Material Specification:**

5pt-4g10k1047 mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
