**Overall Length:**

2.250 inches

**Overall Width:**

2.150 inches

**Material Thickness:**

0.040 inches

**End Application:**

F/a-22 raptor

**Hole Quantity:**

3

**Product Name:**

Detail, tray support-band 3/4, ew

**Aircraft Mission Design Series:**

F/a-22 raptor

**Special Features:**

Aluminum casting

**Height:**

1.340 inches

**Material:**

Aluminum

**Material Specification:**

Ams 4219 assn standard all material responses

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
