Overall Length:

2.250 inches

Overall Width:

2.150 inches

Material Thickness:

0.040 inches

End Application:

F/a-22 raptor

Hole Quantity:

3

Product Name:

Detail, tray support-band 3/4, ew

Aircraft Mission Design Series:

F/a-22 raptor

Special Features:

Aluminum casting

Height:

1.340 inches

Material:

Aluminum

Material Specification:

Ams 4219 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
