End Application:

F/a-22 raptor

Product Name:

Extension arm for aircraft armrest

Aircraft Mission Design Series:

F/a-22 raptor

Material:

Aluminum

Material Specification:

Mil-a-21180 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-a-21180 spec.
