Overall Length:

3.680 inches

Overall Width:

1.110 inches

Material Thickness:

0.080 inches

End Application:

F/a-22 raptor

Product Name:

Support details, tubing, utility distr., module iv

Aircraft Mission Design Series:

F/a-22 raptor

Material:

Aluminum

Material Specification:

Ams 4347 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
