Overall Length:

1.600 inches

Overall Width:

1.030 inches

End Application:

F/a-22 raptor

Aircraft Location:

Fitting support-ram air duct

Aircraft Mission Design Series:

F/a-22 raptor

Height:

0.080 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
