Overall Length:

1.575 inches

Overall Width:

1.100 inches

End Application:

F/a-22 raptor

Hole Quantity:

2

Side For Which Designed:

Both sides

Product Name:

6100 series self-adjusting spring

Aircraft Mission Design Series:

F/a-22 raptor

Special Features:

Head is plastic knob; dimensions include the under-panel/mount and the head

Height:

1.203 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11800
