Overall Length:

8.000 inches

Overall Width:

3.000 inches

Product Name:

Gusset assembly - oil cooler duct longn

Special Features:

Heat treat: 2024-t4; qq-a-362 cond t3 & o federal specification all; forward engine gusset right hand; hole quantity - 6; material thickness 0.072" nom

Material:

Aluminum alloy

Relationship To Similar Equipment:

Similar to: 339157-34 and 339157-35

Supplementary Features:

Nha: 344755

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
