End Application:

Sh-2g helicopter

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Supplementary Features:

Material stock size 0.071 x 11.130 x 14.060 inch

Fsc Application Data:

Nha pn k884201

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
