Overall Length:

11.500 inches

Overall Width:

6.200 inches

Material Thickness:

0.032 inches

Aircraft Location:

Aft firewall installation

Aircraft Mission Design Series:

B-52

Special Features:

Mil-t-9046 class 7 as optional

Material:

Titanium

Material Specification:

Mil-t-9046 class 6 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-t-9046 spec.
