Product Name:

Fitting assembly, mid spar, inboard nacelle strut

Aircraft Location:

Inboard nacelle strut

Aircraft Mission Design Series:

C-135 stratolifter

Special Features:

Spare for 65-2536-5; omit all holes common to attaching tangs

Material:

Steel comp 4340

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
