**Overall Length:**

13.000 inches

**Overall Width:**

5.000 inches

**Material Thickness:**

0.400 inches

**Aircraft Location:**

Body panel assembly-cowl-lwr

**Aircraft Station Number:**

Sta237.500

**Aircraft Mission Design Series:**

B-52h

**Special Features:**

Corrosion resistant steel sheet, 17-7-ph, mil-s-25043, annealed, surface condition 2d; ams 5528; manf suggested name-frame end

**Material:**

Steel comp 631

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
