Overall Length:

13.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.400 inches

Aircraft Location:

Body panel assembly-cowl-lwr

Aircraft Station Number:

Sta237.500

Aircraft Mission Design Series:

B-52h

Special Features:

Corrosion resistant steel sheet, 17-7-ph, mil-s-25043, annealed, surface condition 2d; ams 5528; manf suggested name-frame end

Material:

Steel comp 631

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
