Product Name:

Door stop weld assembly

Aircraft Location:

Door-engine oil tank filler, side cowl

Aircraft Mission Design Series:

E-3a

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11c federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
