Overall Length:

4.600 inches

Overall Width:

2.200 inches

Material Thickness:

0.090 inches

Aircraft Location:

Pressure relief door, side cowl panel-engine nacelle

Aircraft Station Number:

Nac sta161.800

Aircraft Mission Design Series:

E-3

Special Features:

Cres sheet a151 type no. 301, mil-s-5059; comp301 surface cond 2d 1/4 hard

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
