Overall Length:

5.300 inches

Overall Width:

2.500 inches

Material Thickness:

0.050 inches

Product Name:

Attach zee

Aircraft Location:

Pressure relief door-side cowl panel-engine nacelle

Aircraft Mission Design Series:

E3-a

Special Features:

Dim. Are stock material

Material:

Steel comp 301

Material Specification:

Mil-s-5059 comp 301 cond 2d 1/4hard military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-5059 spec.
