Overall Length:

2.240 inches

Overall Width:

1.538 inches

End Application:

F/a-22 raptor

Product Name:

Bracket

Aircraft Location:

Support bracket assembly - frame

Aircraft Mission Design Series:

F-22

Special Features:

Type 1 15-5ph steel bar soln treated

Material:

Stainless steel

Material Specification:

Ams 5659 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
