**Aircraft Location:**

Fitting assembly

**Aircraft Mission Design Series:**

A-10

**Special Features:**

Lh; deceleron trim tab hinge-upper speed brake; make from 160d712555-13alum. Forging

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-367-t73 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
