Aircraft Location:

Fitting assembly

Aircraft Mission Design Series:

A-10

Special Features:

Lh; deceleron trim tab hinge-upper speed brake; make from 160d712555-13alum. Forging

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367-t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
