Overall Length:

120.000 inches

Overall Width:

28.000 inches

Thickness:

0.090 inches

Aircraft Location:

Hnycmb pnl asy-upr speed brake

Aircraft Mission Design Series:

A-10

Special Features:

Lower skin; u/o -4; dimensions are stocksize; al sh

Material:

Aluminum alloy 7075

Material Specification:

Qq-s-250/12-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
