**Overall Length:**

3.500 inches

**Overall Width:**

3.200 inches

**Material Thickness:**

0.063 inches

**Aircraft Location:**

Hnycmb pnl assembly-upr speed brake

**Aircraft Mission Design Series:**

A-10

**Special Features:**

U/o-4 assembly; dimensions are stocksize; alcd sh

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-s-250/13-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
