Overall Length:

61.000 inches

Overall Width:

6.500 inches

Thickness:

0.020 inches

Aircraft Location:

Hnycmb assembly-trim tab-deceleron

Aircraft Mission Design Series:

A-10a

Special Features:

U/o -4 assembly; dimensions are stocksize; lower rh skin; alcd sh

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
