Overall Length:

2.880 inches

Overall Width:

0.340 inches

Material Thickness:

0.250 inches

End Application:

Nha 588531-5, 588531-7 control box, electronic aircraft air temperature

Product Name:

Channel, panel isolator

Aircraft Mission Design Series:

P-3

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

onn or measure.

Demilitarization:

Yes - demil/mli

Fiig:

A11400
