Side For Which Designed:

Left side

Aircraft Location:

Actuator, outboard elevator box

Aircraft Station Number:

Elev sta 279.154

Aircraft Mission Design Series:

C-5b

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12, t651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
