Overall Length:

6.500 inches

Overall Width:

3.000 inches

Material Thickness:

0.050 inches

Aircraft Location:

Rib assembly-strut support le slat

Aircraft Mission Design Series:

A-10

Special Features:

Nha 160d713100; cres sh. 1/4 hard, stainless steel; use 9330 adhesive; u/o 160d713402-1, -2, -3, -4

Material:

Stainless steel

Material Specification:

Mil-s-5059 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-5059 spec.
